Hi Gene, Charlene and Duane,

I hope this e-mail find you all well. As discussed with Gene and Charlene, we are having an active shooter drill on March 29th. We are hoping to also partner with the LAPD; more to come on that.

During the drill, we are hoping to test our communication with other agencies; therefore, we will be having an incident command post (ICP). We may need KPARN experts on both locations (Panorama City and ICP). Please let me know if you are available. Once I have all the details of the drill, I will share them with you as well.

Have a fantastic day!

Best Regards,
